ROLE OF A TEAM CAPTAIN

The Swimming Team CAPTAIN is an important aspect of the club i.e. Competitive swimming and communication with our swimmers. The CAPTAIN will work closely with the Coaches and give support to swimmers where possible at our external events i.e. Masters Open Meets etc.

DUTIES OF A TEAM CAPTAIN:

- To work closely with the Club Coaches in order to encourage excellent communication with members.
- Work together with the Coaches and Competition Secretary to encourage swimmers to enter competitions.
- To help swimmers at competitions feel at ease, and to provide support in the preparation for their individual race.
- To represent the swimmers at any Committee Meetings if required .
