

# Ever thought about VOLUNTEERING?

Do you have some time that you can give to help run our Club

The sport of Swimming relies heavily on volunteers and without volunteers our Club and others would not exist. The ASA welcomes your support and involvement.

Volunteering can offer opportunities to meet new people, help others to develop and for you to gain useful skills and experiences.

Anyone can volunteer and training can be provided where applicable.

## How could I help?

- Find funding, grants, sponsorship for the club
- Become an assistant coach and help out on poolside during holidays, sickness etc. and provide backup for other coaches
- Support and co-ordinate volunteers within the club
- Help with Club administration
- Volunteer for a role on the Committee
- Become a Club Timekeeper for support at Masters Competitions.

Information of Role descriptions can be found on our Website by clicking the roles under committee information or by visiting [www.britishswimming.org](http://www.britishswimming.org).

(Workforce Development WF5)

**NB: This notice will be posted on our website once a link to the description roles has been finalised by our Webmaster.**
